VOTE TIM KENNEDY FOR STATE SENATE

TIM KENNEDY KNOWS ALBANY NEEDS A WAKE UP CALL TO **KEEP US SAFE.**

▲ Tim with his wife Katie and their children Connor and Eireann. Tim has led important fights to keep families safe from sexual predators and dangerous drivers.

When Albany incumbents like Bill Stachowski and Jack Quinn III were asleep at the wheel, Tim Kennedy stood up to keep Western New York families safe from dangerous drivers. Now we can send a message of reform to Albany by electing Tim Kennedy as our next state senator.

Tim Kennedy: Standing Up to Keep Our Families Safe

As an Erie County legislator, Tim led the fight for better safety in our communities and on our roads. He passed a law to ban texting while driving, fought for harsher penalties for sexual predators and worked to hire more deputy sheriffs.

Tim Kennedy: Standing Up to Reform Albany

With our state's budget and economic problems, everyone is making sacrifices, and Tim believes our elected officials should too. He'll fight to end individual legislator slush funds and prohibit travel per diem payments to legislators if they fail to pass a budget by the deadline.

Tim Kennedy: Standing Up to Stop Runaway Taxes

Tim's plan to cut taxes and reduce government spending will help Western New York families struggling in this tough economy. He'll work to put a cap on property taxes, streamline government services and seriously reform the public authorities that have racked up over \$100 billion in debt.

▼ Tim's work to keep Western New York families safe is inspired by Kelly Cline, whose son was killed in a texting-while-driving accident.
