## Dear Neighbor,

Montrose and Neartown have always been leaders in Houston when it comes to making the right decisions about what is good for our neighborhood and our city.

That is why we were selected as one of "10 Great Neighborhoods" by the American Planning Association's *Great Places in America* program in 2009.

We are asking you to join us in voting for Proposition 1 at the end of your November 2 election ballot.

Prop 1 is a pay-as-you-go plan that will help prevent flooding in our neighborhood, rebuild our streets and create thousands of badly needed jobs for Houston families.

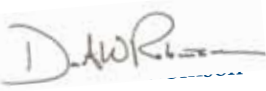

It creates a dedicated fund for streets and drainage projects that cannot be used for any other purpose — with no exceptions.

After several months of gathering neighborhood input, a vote was taken at the Neartown Association's September meeting and the members in attendance overwhelmingly supported Prop 1.

The severity of the problem with our deteriorating streets and drainage has grown to a point where action must be taken. Prop 1 is a bold and sensible plan. Please join us.

Sincerely,

  
Sue Lovell  
Houston City Council Member

  
President, Neartown/Montrose  
Super Neighborhood Council
