**For Charlie Brown,  
RESPONSIBILITY  
isn't just a word —**

# IT'S A WAY OF LIFE

**Charlie and his wife Jan, with their daughter Stacy, and son Jeff. Jeff is about to serve his fourth rotation in Iraq as an Air Force officer.**

**Duty, Honor, Country have been the callings of Charlie Brown's life.** These are more than words. They are core values. For 26 years, Ret. Lt. Col. Charlie Brown served his country in the U.S. Air Force — as a rescue helicopter pilot in Vietnam through Desert Storm.

**Brown was awarded the Distinguished Flying Cross for his actions during the Mayaguez Incident.** When duty called, whether it was flying missions in support of the troops in Panama, Grenada and Lebanon, flying intelligence missions around the world or mapping all airborne reconnaissance over southern Iraq after Desert Storm, Charlie Brown has been there for his country.

**Protecting America's families.** Now, Charlie Brown will continue this tradition of protecting American families. Brown will restore ethical leadership to Congress with tough new ethics laws and a ban on gifts. He will protect our communities by closing down our unguarded borders with new border patrol agents, new surveillance technologies and a border fence. He will insist on a balanced budget, so we don't leave our kids with a crushing debt. And he will make sure our troops have the support they need to win the war on terror.

Join the International Association of Firefighters, the California Organization of Police and Sheriffs, *The Sacramento Bee*, *The Modoc Record*, The Publisher of *The Grass Valley Union*, *The Tahoe Daily Tribune*, Retired General Wes Clark and voters from every corner of our district in support of Ret. Lt. Col. Charlie Brown — a leader who will protect America, restore responsibility to our government and lead with integrity.

**On November 7th, vote Charlie Brown for Congress.**
