Not Just On Sunday

To Practice Fairness Every Day, **VOTE NO ON THE TOPEKA CITY QUESTION**

Topekans are joining together to fight discrimination by voting NO on the City of Topeka Question.

Topeka is a city of faith and community. On March 1st Topekans have a chance to stand up for our values not just on Sunday, but every day of the week.

We will join together to say NO to discrimination, NO to intolerance and NO to divisiveness by voting NO on the City of Topeka Question on March 1st.

The City of Topeka Question would legalize discrimination in Topeka for the next 10 years. The measure would make it legal to fire or refuse service or housing to someone for being gay. It would make Topeka the only city in America to single out one group of people for discrimination.

We all agree that discrimination is wrong. Please join us in uniting around our common values by voting NO on March 1st.

“If we are going to err, let us err on the side of loving our neighbors, not discriminate against them.”

— Rev Don Davidson, Rector, Saint David's Episcopal Church

**On March 1st, Vote NO on the City of Topeka Question.
DISCRIMINATION IS ALWAYS WRONG.**
